MEMORANDUM FOR: Chairman, National Intelligence Council

SUBJECT : Briefing on Military Strategies in Korea

1. At your direction, I have prepared a 20 minute briefing on Military Strategies in Korea for presentation to the Defense Nuclear Agency sponsored "New Alternatives Workshop" on 6-7 October. The briefing was based on the forthcoming NIC memo on the same subject. If you agree, I would like to present this briefing to some JCS staff officers in the Pentagon and to Don Gregg at NSC. The JCS briefing was requested by one of the Korea planners after he had read a draft of the NIC memo. Don Gregg expressed an interest in the subject when I discussed it with him in June.
